December 31st 2021

This afternoon, I had an unexpected visitation from, I believe, an angelic being with a very important message. This is his message:

“THE RIDER ON THE WHITE HORSE IS COMING!”

(as he gave me this message, instantly the verse in Revelation about the white horse came with his message. It was as though He was speaking it to me too).

As I asked him what are 'we to do'. He answers:

“PREPARE FOR BATTLE!!!”

(REVELATION 6:2)

“AND I SAW, AND BEHOLD A WHITE HORSE AND HE THAT SAT ON HIM HAD A BOW; AND A CROWN WAS GIVEN UNTO HIM; AND HE WENT FORTH CONQUERING, AND TO CONQUER!!”
